FOR IMMEDIATE RELEASE

14 April 2005

## ECEPTIONIST® ANNOUNCES RELEASE OF PRACTICE MANAGER

**Houston, Texas** – Eceptionist, Inc. today announced that Practice Manager will be released in May.

Eceptionist's Practice Manager is a new solution for physician offices and clinics. Practice Manager gives physician offices all the benefits of Eceptionist's enterprise modules at an affordable price.

Practice Manager offers the following functionalities and benefits:

- 100% web-based solution
- Electronic patient record
- Multiple site support
- State of the art scheduling functionality
- Protocol management
- Controlled access to third party referrers
- Controlled access to patients
- Electronic reminder system
- Letter & report wizards
- Audit trail
- HIPAA compliant solution
- Easy implementation
- Low upfront costs

"Practice Manager gives organizations the ability to more efficiently and effectively manage the healthcare processes associated with running a practice or a clinic, while at the same time providing patients and referrers with a better service," said an Eceptionist representative

"Eceptionist is proud to provide practices and clinics with an affordable solution that leverages the benefits of the enterprise solutions we provide to the likes of the U.S. Military (TRICARE), the National Health Service (NHS) and TelBios."
