ECEPTIONIST CELEBRATES OPENING OF NETHERLANDS AND BELGIUM SALES OFFICE

Rotterdam, Netherlands – Representatives of U.S. based Eceptionist, Inc. and Netherlands based Esclepiion B.V., today celebrated the opening of Eceptionist, Inc.'s continental Europe sales and marketing office in Rotterdam.

"The Netherlands has always been a leader in global trade and business which is why we chose to open our continental European sales office in Holland," said Eceptionist head of investor relations, Deborah Jones. "Over the years, Eceptionist has worked with many organisations across the globe to bring together world-class medical professionals who choose to utilize web-based software applications to better enhance the business processes of their healthcare institutions. These collaborations have not only advanced the frontiers of medical service delivery, but they have also improved the quality of medical care available to patients world-wide."

Founded in 1999, Eceptionist, Inc., (<http://www.eceptionist.com>), is a leading provider of software solutions for the healthcare industry. Eceptionist is dedicated to improving the efficiency and reducing the costs of healthcare organizations through the development of the Eceptionist platform. Organisations can use the Eceptionist platform to better manage healthcare as it is delivered across departments, sites communities and countries. Eceptionist supports Scheduling, Telemedicine, Disease and Case Management, Care Pathways, Multi Disciplinary Team Meetings, Protocols and reporting for facilities and corporations around the world. Eceptionist's customers include the United States Military, the National Health Service in the United Kingdom and Telbios in Italy.

Esclepiion B.V. is managed by Peter Inklaar and Harmjan Willemsen who have been involved in sales and consulting to medical enterprises for the past 2 decades. "Eceptionist looked at a number of top tier Netherlands based organisations over the past 8 months and selected Esclepiion to be our partner for Europe. We feel that Peter and Harmjan both offer a great
